EDITOR'S LETTER

Believe it or not, I'm speaking to you from a time before Christmas 2016 had happened, so all those nasty shocks the rest of the world is now trying to deal with are a complete mystery to me! But while ignorance may well be bliss, it's not half as blissful as being surrounded by another issue's worth of hotties, so all things considered I'm in a pretty enviable position! At least I was a few weeks ago... God knows what sort of state I'm in now!

CAROL SERVICED

Dear *Mayfair*,
I answered a contact ad a few months ago from someone who described herself like this: 'Older woman seeking men for daytime fun. Husband approves.' Since I've always had a thing for the more mature ladies (so long as they're in good nick, of course!) I thought I'd reply. And since I'm always shit scared of someone's husband barging in on his sex-mad old lady and beating the crap out of whichever poor bloke happens to be rogering her, the 'husband approves' bit really did make my mind up for me.

I put pen to paper and got a reply very quickly from a woman called Carol, who from the look of her rude and nude photo, was well tasty. She was 35, five foot eight with blonde hair, nice tits and a clean-shaven pussy. We spoke on the phone and just two days later I was knocking on the door of her house in the suburbs of Bedford.

"Hello Gary," she said after answering the door. She was wearing a nice, sexy dress that left just enough to the imagination while still making you think this woman was well up for a shag. "Do come in." I was quite surprised by how posh she sounded, almost formal. "Why don't you make yourself comfortable in the lounge?" she said, disappearing up the stairs. "Won't be a moment."

I sat on the sofa, my cock twitching in my pants at the thought of what was to come. Within what felt like just a few seconds Carol was back – minus the dress! She was wearing the full tackle underneath: stockings, suspenders and high heels and she looked great. Her body was firm and I could already see from a slight moistening around her crotch that she was more than ready to fuck.

> "CAROL TOOK MY DICK FROM HER MOUTH AND SUGGESTED WE GO UPSTAIRS WHERE IT WAS MORE COMFORTABLE."

Wasting no time she knelt down in front of me, pushed my legs apart and released my cock from my pants. Fuck me, it was hard as nails, ready for some serious action! She took my prick between her lips and deep into her mouth. I lay back into the sofa and enjoyed the sensation of this sexy older woman face-fucking my cock.

Carefully making sure that I wasn't about to shoot my load, Carol took my dick from her mouth and suggested we should go upstairs where it was more comfortable. "After you," I said, trying to sound as polite as her. What I really meant was that I couldn't wait to see her lovely arse wiggling up the stairs. And man, did it wiggle!

In the bedroom things really started to get interesting. She stood in front of me, pulled me towards her and kissed me hard. I laid her back on the bed, then began licking her clit while playing with her wet pussy lips. I kept teasing her by running my fingers around the rim of her arse before slowly sliding a finger inside. I wanted to see if she was up for a bit of anal and was pleased when she moaned ever so slightly. Her arse

MAYE POLE

Dear *Mayfair*,
I've been wondering when (indeed, if!) you were next going to feature the girl I consider to be the finest, most statuesque model to have hailed from these isles for a generation, and at long last – in 51.13, you did. I'm referring, of course, to Dani Maye, a girl I've been lucky enough to see in the flesh once or twice, and she never fails to take my breath away! She was looking, if possible, lovelier than ever in this shoot – possibly the white background serving to emphasize just what a magnificent specimen she is, with no need whatsoever from adornments and props! I know she's on the tall side, and that upshot of her, looking down at us as we hover by her delicious pussy, is one of my favourite shots of the year. I envy any guy who, lying on a bed with his stiff pole to the ready, ever gets to see Dani looming above him like that in real life! Please pass on my warmest regards to the girl herself!
Martin, Bideford.

HOWE LOVELY!

Dear *Mayfair*,
Hats off to *Mayfair* for your recent shoot with the delectable Melissa Howe. I've seen her in the papers a bit, but those pics of yours were something else! OK, so they were pretty soft compared to some of the girls you feature, but I think there's no harm in having a nice mix of styles, and with plenty of other girls in the issue putting it all on show, I for one reckon I'm more than getting my money's worth! Looking forward to seeing her sister Carla's appearance before too long; please don't make us wait too long though, will you!?
Gavin, Swansea.

tightened as my finger slid in, then relaxed as I drew it out again. It didn't seem too long before Carol's whole body tensed and she shuddered to a climax.

"I've never done that before," she gasped when she'd pulled herself together again. "But you liked it, didn't you?" I said. I turned her onto her knees, pointed her arse up in the air and aimed my bobbing helmet towards her lovely rear. I gently pressed the tip of my cock into her and found that she was so relaxed I was hilt-deep in seconds. I began to slide in and out, slowly at first, then faster as Carol really got into it. She wasn't in any pain because she started talking to me. "Harder. Faster. Fuck me in the arse. Deep in the arse." She moved one hand between her legs, keeping herself steady with the other one, and started to play with her clit. Well that was it. I shot a great thick wad of come deep inside her, then collapsed on top of her, exhausted, with my cock still buried in that lovely arse of hers.

"Nice one mate," said a voice coming from the door to the bedroom. I spun around, I suspect with a look of absolute terror on my face. Carol must have noticed. "Oh, don't worry about him," she laughed. "This is my husband Andy. There's nothing he likes better than someone giving me a good, hard seeing-to." "And then joining in," laughed Andy. "In the arse, eh?" he grinned. "That's new. Don't mind if I do."

He slipped his cock out of his pants ready for action. "OK," said Carol. "But I have to give Gary head while you're doing me. His cock tastes so nice."
So there we were, Carol giving me head while Alan enjoyed a part of his missus that he'd never experienced before. Weird, but a lot of fun all the same!

When we parted at the end of the afternoon I felt not only like I'd shot half a mile of spunk, but that I'd also done the happy couple a favour by introducing them to a new twist in their sex life. What a warm-hearted guy I am, eh?
Gary, Dunstable.

YOU BOOTY!

Dear *Mayfair*,
I was always under the impression that the term 'booty call' referred to a man ringing a woman up for a quickie – not the other way round. But I've come to realise that all Tonya, a girl I've been seeing, does is booty call me. We rarely see each other outside her place or mine, and have only met up once to do anything but fuck. Still, I'm certainly not complaining!

We met in a club on a drunken Friday night out. She caught my eye early on, but I didn't have enough Dutch courage in me to approach her, so I concentrated on having a laugh with my mates instead.

It wasn't until a few hours – and plenty of shots – later, that I encountered her properly. I was on the dancefloor throwing some shapes, as they say, when I felt a pair of hands on my hips. I spun around, only to find Tonya grinning up at me. She was stunning: a good foot shorter than me with cropped, jet black hair and piercing green eyes. She wasted no time in grinding up against me with a confidence I found almost intimidating. I did say almost! I wasn't used to such forwardness in a bird, but wasn't complaining as she pressed her body against mine, her arm round my waist, squeezing my butt cheek. Bloody hell, if I hadn't been so drunk I might've felt like a piece of meat!

I reciprocated, grabbing her arse through her flimsy dress, pulling her closer as she nuzzled into my chest. It was such a hot display, I hoped the guys were watching – they definitely wouldn't believe my luck!

We danced like that for a while, Tonya turning me on as she rubbed against me, until she threw her arms around my neck, yanking my head down to her level and yelled in my ear, "D'you wanna get outta here?"

Talk about music to my frickin' ears! I nodded dumbly and she grabbed my hand and led me towards the

What a fitting way to get the mighty *Mayfair* ball rolling for 2017, don't you think? A sizzling new set of pictures of the tastiest Welsh dish since, er, cawl (had to look that up, I'm afraid!). So has Emma got any special plans for the new year, we wondered…?

"No, nothing special, I don't think. I've been having so much fun since I started appearing in *Mayfair* that I just want to carry on, really – keeping my fans happy and making sure I've got a bit of special 'Me time' as well now and again."

Sounds good to us. And if you ever fancy sharing a bit of that 'Me time', do feel free to give us a bell, won't you?

cloakroom. While we waited for the girl to find our coats, I moved in for a kiss. Tonya wasn't shy, shoving her tongue so far down my throat I got instantly hard. She giggled, pushing her stomach against the bulge in my jeans and making me want to fuck her there and then.

We went back to her place as it was closer, and as we walked the mile or so, I found I couldn't keep my hands off the little minx. The journey took half an hour longer than it should have, as we kept stopping to have a snog and a fondle in doorways, against walls and on a couple of walls. By the time we reached Tonya's front door, my hard-on was aching and I'd dipped my fingers into her sopping snatch more than a few times. In other words, I was desperate to get my end away!

As soon as the door slammed behind us, we became like animals; clawing at each other and ripping clothes off – she even bit my shoulder in the passion. Fuck, was she a great screw! She paused just once, to ask if I wanted a drink (I obviously said no), then dragged me into her bedroom, unzipping my flies as we went.

I've never been into dominant women, but the way she shoved me back onto the bed while pushing my jeans and pants down to my ankles in one fell swoop, turned me on more than anything ever has before. Straddling me, she kissed me deeply, her pussy juices smearing all over my tool as she rubbed herself up and down against my crotch. I reached up to grab her tits, which were now pouring out of her lacy bra, her dress discarded somewhere between here and the front door. She was quicker than me, however, and pushed my arms by my side, trapping them with her knees.

Kissing her way down my chest and stomach, she stopped short at my pubes and instead drew her long nails up my shaft, scratching the skin lightly. I gulped at the sensation as my cock throbbed under her touch. Then, she opened her mouth and swallowed my entire length in one go. I mean, the woman completely devoured me. Down to my balls. I gasped as she deepthroated me for a short time, cupping my bollocks as she gagged on my dick. I grabbed some hair at the back of her head and forced her down further, only releasing her when she squeezed my nads harder – a sure sign she'd had enough.

This was obviously the treatment she was after, because as soon as I let go, she pulled away and threw herself back on the bed, spread her legs and squealed, "Fuck me!"

> "SHE KISSED ME DEEPLY, HER JUICES SMEARING ALL OVER MY TOOL AS SHE RUBBED HERSELF AGAINST MY CROTCH."

I didn't need telling twice and, pushing roughly between her parted thighs, I was on top of her. Without any foreplay or thought, I rammed my aching cock deep inside her cunt, enjoying the way my full balls slapped against her arse. She wrapped her legs around my back, pulling me in as I started slamming into her hard. Her nails raked my back and she bit my chest as I shagged her as powerfully as I could.

"Come on," she screamed. "I told you to fuck me!" I took this as a dare and I went at her like a savage, thrusting into her as hard and fast as I could, my hands groping her breasts roughly as she thrust her hips upwards to meet my strokes and began moaning loudly.

I fucked her and fucked her, pumping her until my back was aching. Then she screamed out, her legs gripping my waist as she came, her pussy muscles clamping tightly around my dick, as she again bit down gently on my shoulder. That did it for me and after two more thrusts I came, jets of hot, thick jizz flooding her snatch into; at long last I was spent.

We've met up a number of times since then, but always on her terms, and always for a fuck. I'm more than happy to be at her beck and call as the sex is so damned good, but six months on I'm starting to wonder if being a 'booty call' is all it's cracked up to be…

Alex, Cheshire

RED ALERT!

Dear *Mayfair*,
What a welcome addition to the *Mayfair* stable Roxi Keogh is! You don't need to tell us she's a head-turner, we can see it all too clearly for ourselves, thank you very much! Blimey, if I was walking down the street and someone as eye-catching as Roxi walked past, I think I'd be distracted for the rest of the day! As it is, having her in *Mayfair*, which I can thumb through at my leisure in the comfort of my own home, provides the perfect way to relax at the end of the day… if you know what I mean! I can't wait to see what other treats you might have in store for us in 2017. Keep it up, I know Roxi and her ilk have certainly helped me do just that in 2016!

Sophie spent a good bit of last year trotting the globe, so naturally us Brits will be hoping she stays put a bit more this year...

"I don't know about that – I've got the travel bug now, so if any modelling jobs come up I think I'll go, no matter how far away they are! There's nothing better than visiting an exciting new country and, well, posing in the nip there – I crossed a few off the list last year, but there are plenty more to go!"

Well we hope you don't forget about us when you're off on your travels – after all, there are plenty of men here who'd love to spend some time under a, erm, wandering Star!

Want to trade in that old Ford Escort for something with a bit more pizazz? Well you've probably left it too late for this one, we're sorry to say...

Lest anyone think this is too early a replacement for the Ferrari 488, the J50 is a limited edition design based on the 488 Spider. And it is truly limited, with only 10 examples to be built worldwide. During a special celebration held at the National Art Center in Tokyo to commemorate the 50th anniversary of Ferrari in Japan, Ferrari revealed the limited series bespoke car creating, quite a stir amongst hyper car enthusiasts and journalists alike.

The Ferrari J50 is a two-seater, mid-rear-engined roadster that marks a return to the targa body style evocative of several well-loved Ferrari road cars of the 1970s and 80s. Created by Ferrari's Special Projects department and designed by the Ferrari Styling Centre team in Maranello, the J50 will be built in the spirit of Ferrari's *fuori serie* tradition, with each one tailored specifically to the customer's requirements.

The J50 is powered by a specific 690cv version of the 3.9-litre twin-turbocharged V8 that won the overall International Engine of the Year Award this year and pumps out a very respectable 680bhp, which is more than enough to propel this light weight beast to a dizzying top speed (yet, sadly, to be confirmed).

The bodywork is all new and heralds a radically futuristic design language, with a highly distinctive personality that suits the tastes of a clientele that seeks the utmost in innovative styling. The design approach was led by the desire to create a very low-slung roadster, encapsulating intrinsic Ferrari values of nimbleness and agility. To achieve this, a strong dynamic was imprinted on the flank of the car by the converging interplay between two main guiding lines: the slanted top edge of the side window, continuous with the windscreen, and the raked black swage line which dramatically rises from the low-set nose until it vanishes in the air intake aft of the doors.

While the "helmet visor" effect, which spawns from the window graphic, is reminiscent of Ferrari's open competition barchettas going as far back as the 1950s, the black dividing line is a novel interpretation of a recurring Ferrari styling cue seen on iconic models such as the GTO, F40 and F50. Circling around the front of the car below knee height, it is a key element which alters the perception of the beltline, setting it at a much lower height than usual, transforming the J50 into a barchetta.

> THE BODYWORK HERALDS A RADICALLY FUTURISTIC DESIGN LANGUAGE, WITH A HIGHLY DISTINCTIVE PERSONALITY.

The bonnet section is lower at the centre, with raised wheelarch crests giving the emphasized muscularity typical of Ferrari mid-engined sports cars. Two carbon-fibre air channels in the front bonnet create an even more diminutive and sharper looking front mass, underlined by the full LED headlights that feature a bespoke and very dynamic profile.

The J50 benefits from detailed aerodynamic development with a number of significant functional solutions. Firstly, the radiators have been positioned closer together, and the front bumper (not that you'd want to bump it) has been completely redesigned. The windscreen header rail has been lowered, allowing more airflow over the aero foil and, therefore, over the rear spoiler.

The sophisticated tail section is dominated by the artful interplay of graphic design themes and three-dimensional elements. The engine is framed by a transparent polycarbonate cover which is intricately shaped to provide a visual extension of the two separate roll hoops protecting the heads of driver and passenger. A transverse aero foil projects as a bridge between the hoops, effectively revisiting one of the most distinctive features of some of the Ferrari sports prototypes of the 1960s.

The rear is decidedly aggressive in nature, with the quad taillight design widening the car visually under a high-downforce wing profile. The rear diffuser features an extractor shape inspired by jet engine afterburners, giving the car a powerful stance. 20" forged rims of unique design were crafted specifically for

"THE J50 IS POWERED BY A VERSION OF THE 3.9-LITRE TWIN-TURBOCHARGED V8 THAT WON ENGINE OF THE YEAR AWARD THIS YEAR."

this limited-edition model.

Inside the cabin, bespoke trim adorns the sports seats, echoing the design of the rear bonnet contour and providing an unmistakable signature feature. The carbon-fibre hard targa top is divided into two pieces which stow conveniently behind the seats.

As you can see, the J50 presented at the launch in Tokyo was finished in a special shade of three-layer red with a red-over-black interior trimmed in fine leather and Alcantara. We're not sure yet if the colour of the J50 will be customisable, and there's also no word on the price yet, but almost certainly every car has already been sold already, so one way or another you won't need to worry about saving up or whether it'll match your socks.

A young couple are having problems in their marriage and decide to go for counselling. The counsellor asks what the biggest problem they face is.

"He suffers from premature ejaculation," she says, jabbing her thumb in the direction of her husband. The counsellor asks the man if this is true.

"Not exactly," replies the man. "I do ejaculate prematurely. But she's the one who suffers!"

Two old guys are talking about their sex lives. One says he still has a really active time, while the other has to admit that his sexual appetite has all but disappeared.

"I'll tell you my secret," says the first man. "Rye bread. I eat it every day and I can still get it up whenever I want to."

The second man promptly makes his excuses and heads straight for the bakery. Once he gets there he asks the girl behind the counter for some rye bread.

"Do you want it left whole or sliced?" she asks him.

When the man asks what the difference is, she replies: "Well, when it's sliced it gets harder faster."

"Fuck me," says the man. "How come everybody knew about this except me?!"

A masked gunman holds up a sperm bank. "Open the safe," he screams.

"But this isn't a real bank," says the terrified girl behind the counter. "It's a sperm bank."

The gunman doesn't listen. "Open the safe or I'll shoot," he cries. The girl does as she's told and opens the safe.

"Now take one of the bottles and swallow it," he orders. The frightened woman does what she's told and swallows the lot. Then the gunman takes off his mask. To her astonishment the woman realises it's her husband.

"See," he says. "That really wasn't so bad now, was it?"

A stud and his manager go down to the docks, where they bet every docker that the stud can make love to 100 women in a row and satisfy each and every one of them. Bets are placed and everyone agrees that the big fuckfest will take place the following afternoon.

The next day 100 women are lined up on the dockside. The stud drops his pants and gets to work. And the man is good! 1... 2... 3... on and on he goes. And the women are all satisfied. 97... 98... 99... Before he can get to the very last woman, though, the stud suddenly has a heart attack and dies.

"I just don't understand," the manager says. "Things went so well in rehearsals this morning!"

A man and his wife are together in bed. The man is getting very frisky and asks his wife if she's in the mood. "Not tonight. I've got a headache," she replies.

"Is that your final answer?" the husband asks.

"Yes," she says firmly.

"Then I'd like to phone a friend."

After 35 years doing exactly the same delivery route it's the postman's very last day before retirement. When he gets to the first house the whole family are waiting for him, clapping and cheering. They send him on his way with an envelope stuffed with cash. At the second house he's given a big box of cigars, while at the third house he receives a lovely watch.

At the fourth house he's met by a gorgeous woman in stockings and sussies who takes him upstairs and absolutely fucks his brains out! The postman is amazed and delighted, especially when she then makes him the best breakfast he's ever tasted.

The postman is about to leave when she puts a pound coin in his hand. The postman is puzzled. "What's this for?" he asks.

"Well, I was talking to my husband about the fact that you were retiring and asked him what we should do. He said 'Fuck him, give him a quid.' The breakfast was my idea!"

A bloke comes home from work one day and, feeling generous, gives his crabby wife a gorgeous bunch of flowers. "I suppose this means I'll have to get on my back with my legs open for the next three days," she grumbles.

"Why?" says her husband. "Haven't you got any vases, then?"

Ms. Fortune!

Scene from MAYFAIR

Has your DVD player been feeling a bit glum lately? Then perhaps it's time you gave it a treat - and things don't get much treatier than this month's selection of new and vintage releases!

THE MAN BETWEEN

The Third Man is one of the most highly acclaimed British films of the post-war era – a the combination of Graham Green's story, Carol Reed's direction, Orson Welles's screen presence and Anton Karas's zither is irresistible, but how many fans of the film knew that Carol Reed's next film saw him exploring similar themes, this time with the legendary James Mason in the lead role - in Berlin?

Mason plays Ivo Kern, A German with a very shady past (and in 1953 a shady German past was about as bad as it gets) who uses his crafty ways to help the East German regime kidnap wanted figures from the west. Like any sensible East German, he hankers to escape to the West himself, and the chance presents itself when the wrong person is abducted…

Nowhere near as successful as *The Third Man* at the time, this film's reputation has grown and grown with time, and foreshadows plenty of films that were to come, too. Most definitely worth a look.

JINNAH

Everybody knows about Ben Kingsley's Oscar-winning turn as *Gandhi*, but here's a companion piece that has been unfairly overlooked for many years, which also stars a British actor as one of the major players of the closing years of the Raj. Like Gandhi, Muhammad Ali Jinnah had originally trained for the law (in London) before going into politics in the Indian National Congress. By the time WWII was coming to a close it was clear that so was the era of British rule on the sub-continent, and while some hoped a country could be fashioned for all Indians, Jinnah was convinced that power-sharing between Muslims and Hindus would prove unworkable – a belief that ultimately led to partition between India and Pakistan in 1947. This is a fascinating tale, and it's none other than Christopher Lee in the title role – a role of which he was more proud than any other… and not without reason.

THE MISSING 2

The original series was an original and arresting piece of television, so it was sort of inevitable there's be a follow-up in the pipeline – and here it is. But thankfully, instead of just doing the same thing with different characters – or extending the natural life of a storyline like *Broadchurch* was rather guilty of – *The Missing 2* performs a neat switch on the original, and is, if anything, a more interesting piece of television as a result…

The only common factor it has with the first series is Tchéky Karyo's rather enigmatic cop Julien Baptiste, and this time it's the discovery of a young British woman found wandering the streets of a German town 11 years after disappearing there that prompts his interest. With David Morrissey and Keeley Hawes both in fine form, it's classy stuff that keeps you on your toes to the very end.

CHESSIE

Photographer: BB Media

Brighton's noted for the number of people who flock to enjoy themselves at the front, but it looks like Brighton's got rather more front than anyone had ever imagined, courtesy of *Mayfair* newbie Chessie here and her fabulous funbags! So what's with all the boobage, Chessie?

"Oh, I love them! Having big tits gives me so much power over guys – I can have them eating out of my hand in no time and then – well, I can take all sorts of advantage of them!"

Our scruff reviewer's house is ram-packed full of this stuff, but he still craves more - so we sent him these three and in return he told us what he thinks of them. So here you go...

Wicked Pictures

HIDE AND PEEP

★★★★☆

CAST: Ashley Adams, Cherie Deville, Elsa Jean, Jojo Kiss, Juelz Ventura, Liza Rowe.

The USP here is voyeurs getting in on the action, and things kick off with a rather interesting situation. MILFy big-titter Cherie is sunbathing in the nip, and cant's resist the urge to rub on out while she's at it – but look, cute Elsa's spying on her and she's getting all aroused as well – and Markus, in turn is spying on her! That's 3 people all having a wank, but before long Markus and Elsa have hooked up and she's just giving his knob a good slurp when Cherie twigs what's going on. What follows is a cracking threesome, kicking off with the girls slurping on his pole for long enough to have most of us dropping our load there and then, but there's more to follow, and they go through just about all the moves you could think of before the horny flampers share a faceful of spoo. A cracking opener, and one you'd think they might struggle to follow up, but tasty Juelz gives it a bloody good try, thanks to her furry snizz and accommodating bum and Ryan Ryder's plundering of them.

The remaining scenes are all solid enough too, although you can't help feeling the flick peeks a bit early. Or maybe that was just me.

★★★★☆

Private

MILF SECRETARIES

CAST: Kayla Green, Nesty, Dyana Hot, Simony Diamond, Valentina Bianco.

Covergirl Kyla Green rather caught my eye when this flick flopped onto our reviews desk, so it was a pleasant surprise to see her charms featured in the very first scene. She catches her boss having a sneaky wank in the office, but clearly isn't the sort of woman to let a good boner go to waste, and after stripping off to her undies she wraps her lips around his pole and gets stuck in. She gets a good pronging on the desk for her troubles, with both holes getting a drilling before she's treated to the sort of bonus that ends up with chin and boobs dripping in harry.

Things take a turn for the frantic in the next scene, in which Valentina has not one but two bosses to pleasure – and fair play to her, she gives it her best shot, deep-throating and DPing her way to a double facial that leaves her looking a bit dazed.

Nesty and Dyana keep things ticking over nicely enough until we get to the finale, in which a still stunning Simony Diamond proves she's still got what it tales to drain a pair of balls in very fine style indeed.

Digital Playground

STEPMOM SWAP

CAST: Katie Morgan, Aria Alexander, Parker Swayze, Julia Ann, Ariella Ferrera, Chloe Carter.

American porno producers seem to have a bit of a think about, er, stepmoms. I guess it's quite an issue in porn valley – all that fucking each other probably doesn't do much for the longevity of most marriages, even if they are fun while they last! So here we have a sort of family drama in which a succession of stepmoms fuck their stepsuns, or, indeed, stepdads get jiggy with their stepdaughters – all safe in the knowledge that everyone is not only of legal age, but have had their medical tests done and are, moreover, seasoned porno performers of the highest order. PArker Swayze, for example, can't really act for toffee, but she still does a grand job of portraying a loving stepmom by letting callow young Van Wylde poke her silly on the couch after she catches him knocking one out, complete with some impressive piledriver action. No wonder his dad shacked up with her!

★★★☆☆

Fans of the legendary Julia Ann will be chuffed with the next scene, which sees her team up with cute young Aria to ride the cock of lucky Tyler, and after much toing and froing things come to a head with a very nice foursome that sees Ariella and Chloe more than earning their impressive facials. Lightweight, but fun enough.

CLEA

Age: 26 Vital Stats: 38A-23-34 5'4"
Photographer: DDF

Following all the excitement of 2016, we thought we'd take we'd take this opportunity to extend a hand of friendship to our European neighbours across the channel – we might have voted out, but we can still appreciate all the great things to have come from the continent – especially if they're dolled up in stockings and suspenders like French hottie Clea here! With her flawless bod and sensual charms, we'd be more than happy to bremain by her side for the nuit!

QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

I didn't do very well in school and left with virtually no qualifications, but I've done alright since. I model for magazines and websites, and do a bit of acting occasionally – I've learned that you have to make the best of what you've got in life... and I've been blessed with massive knockers!

My agent sometimes finds these nice acting jobs for me, extras in films, cameo roles, but the real money is in adverts. Recently, he gave me a call and I knew it was a decent job, 'cause his voice was all excited. He explained that a chocolate mousse company was looking for a busty beauty to appear in their ad. It sounded like a piece of piss; I only had to lick mousse off a spoon, dropping a little down my cleavage accidentally and wiping it up with a finger before licking said digit clean and purring the company slogan into the camera. As I said, a piece of piss.

The day of the casting arrived and I wasn't surprised that the waiting area was full to capacity with pretty, busty girls. However, I knew none of them were half as determined as me, and I knew exactly how I was to wow the director.

A secretary came out and called us in one-by-one, until finally it was my turn. As I confidently strolled into the room, I knew I looked hot and was pleasantly surprised to see that the director was gorgeous – and alone, which was a bonus.

"Ah, Kelli, please take a seat," he said to me, as I sat in the chair opposite. Without looking up, he asked me to start eating the mousse dessert provided.

I picked up the spoon but hesitated – I wanted him to watch me, damnit...

In my softest, most alluring voice, I purred, "Look at me." Taken aback, he put down his pen and turned his gaze in my direction. "For a girl to perform her best," I continued, "she needs an audience..."

I let myself blush a little as I looked straight into his eyes, coyly flicking my gaze away again after a second. I knew full well that I had him eating out of the palm of my hand. I now had to kill it with my audition.

"Of course," he said, "my apologies. Please, do continue."

Picking up the pot, I ran my finger lightly around the edge, collecting the excess chocolate on my fingertip then delicately licking it off.

"Nice," he remarked, "carry on."

I picked up the spoon and twirled it between my fingers before crossing and uncrossing my legs, Sharon Stone style, and sinking the metal curve into the creamy dessert, and raising it to my mouth. I looked him in the eye again before slowly closing my full lips around the spoon and shutting my eyes for a second as the chocolatey taste exploded in my mouth.

"Good, and another," he requested. I repeated the process, but this time taking a bigger spoonful, working my tongue around the bend of the spoon, and a splat of the mousse landed on my prominent cleavage.

> TAKING BOTH BREASTS IN HIS HANDS, HE SANK HIS HEAD INTO MY CLEAVAGE...

"Whoops," I sighed, scooping the mess up onto my index finger and plunging it deep in my mouth, closing my eyes again and swirling my tongue around my digit to savour every last morsel.

"Perfect!" he cried, "You're making me want some! Again."

I did as he asked and within a few seconds, another chocolatey smear landed on my cleavage. I decided to make my move and cupped the underside of my left tit, hoisting it up to my mouth, while simultaneously lowering my head and licking the chocolatey mess off it in one, long stroke of my tongue. He watched the chocolate slide down with a glint in his eye, and I knew that I'd got him.

"Why don't you come over here and help me?" I flirted, cupping the underside of both breasts and proffering them up to him. He stepped out from behind his desk and bowed his head down to my breasts, scooping up the sugary mess in one slurp and polishing up the area afterwards with a barrage of tiny licks.

Name: KELLI
Age: 26
From: ISLINGTON

"Superb, yes, I think we're onto something here..." He scrabbled behind him and pressed the monitor button on the phone. "Miss Jones, could you tell the other applicants I'll have to see them tomorrow, something's come up." He said, caressing the bulge in his trousers.

Taking both breasts in his hands, he sank his head into my cleavage, licking and

gently sucking my flesh into his mouth. I ran my fingertips over his bulge for a moment before unzipping his fly and taking his cock in my hand.

I pulled my breasts out and he immediately began sucking on them before scooping up a dollop of the mousse with his fingers and smearing it over my nipples, eagerly licking the chocolate off as I started pumping my fist up and down his erection.

I could barely close my hand around his fat six inches; a most satisfying feeling, and I dipped my hand in the mousse and slowly worked it up and down his rigid shaft, twisting my grip slightly as I moved. Standing up, I led him firmly by his cock to a space on the floor where I could lie down.

"HE SLID BACK AND FORTH BETWEEN MY BREASTS QUICKER AND QUICKER, JABBING REPEATEDLY INTO MY MOUTH AS I SUCKED AWAY."

Whipping off my dress and bra, I lay down, turning my attention back to my prize. I was pleased to note he'd brought the mousse over. I pointed to my cleavage and breathed, "On here, all of it." He spilled the remaining contents over my boobs before stripping off his clothes. I pushed my tits together with one arm as he knelt over my torso, pushing his cockhead between my orbs and thrusting into the chocolatey mess, my tits squeezing his prick as it slid into my fleshy ravine.

As his helmet emerged from between my tits, I stuck my tongue downwards to catch it before his rod slid back down between my breasts. I wrapped my fleshy mounds firmly around it, enveloping his cock before the chocolatey tip entered my mouth again and I savoured the meaty/chocolatey taste before he pulled away, leaving a smear of mousse on my chin.

Revving up a gear, he slid back and forth between my breasts quicker and quicker, jabbing repeatedly into my mouth as I sucked and licked away. Suddenly he grunted, ramming in and out of my chocolate covered tits until spunk started gushing from his tip and splashed down over my face and boobs, giving me a creamy coating to go with my chocolate treat.

Needless to say, my trip to the 'casting couch' was successful and I got the part: if you keep an eye out, you'll see me during one of the ad breaks, I'm sure. As I said, you've got to make the best of what you have in life, and I've got huge norks!

Last month I got a job in a posh leisure centre and much to my delight, one of the regulars, Dean, got my juices flowing from the very first day I was working there.

It was evident that he fancied me, despite having a super fit wife who looked like a catwalk model. He would compliment me on my voluptuous shape and confide in me that he'd often get bored with his 'perfect' wife and longed to have a normal girl. I didn't really know how to take that. I'm 20-years-old, short and a bit curvy, with 36D tits and I'm a brunette. I'm happy enough with myself, but I know BS when I hear it!

It was my night off when things happened between us – I'd decided to come in and make the most of free use of the facilities. I found Dean sulking in the sauna after having a big argument with his wife (who'd actually kicked him out!) and joined him. It was a very quiet evening and there was just the two of us in there together, which was a relief as within 10 minutes, I'd become a bit of a sweaty mess. I was wearing a white, high-leg swimming costume and Dean made a comment about how it had become virtually see-through. Much to my embarrassment, I looked down and saw my dark pubic triangle showing through as clear as day. I have to confess this unintentional exhibitionism turned me on so much that I made no effort to cover up my fanny and even leant back slightly, letting my legs fall open to give him a good view of my pussy.

Name: AMANDA
Age: 26
From: TRURO

Dean's erection was all too visible in his tight, red shorts and I couldn't help smiling playfully at him as he tried to hide it.

"Don't worry," I told him. "There's no one here – and I don't mind if you're hard!"

Dean smiled back and told me he was spending the night in the hotel next door if I wanted to go up to his room for a drink. At that moment I knew I was up for getting a good hard fucking, and decided to be brave.

"You're on!" I said, without hesitation.

I showered, dressed and took the lift up to his room, but when I knocked on the door a stranger answered. "Oh, I thought Steve was staying here?" I asked the handsome guy.

"I am, come on in!" He called from inside the room and I was ushered through. The guy, it turned out, was his mate Mike, who had dropped some clothes off for Dean. I thought he would make himself scarce, but he stayed where he was. I sat down on the end of the bed and Dean grinned at me at me.

"I bet you're not wearing any knickers."

I wasn't and felt suitably embarrassed. Then Dean said, quite blatantly, to Mike, "She's got a beautiful pussy, I was admiring it in the sauna. Show him your cunt, Carla."

I tried to be shocked and outraged, but in fact I was really turned-on and, after a few mock protests, I spread my legs and showed both guys my furry pussy.

"Now it's your turn," I told them and Dean's trousers hit the floor in an instant. His prick was long and fat and he walked towards me and presented it, twitching, inches from my face. I leaned forward and took his hardness into my mouth, licking and sucking hungrily, and making eyes at Mike to encourage him to join in – which he was only too happy to do!

I was very quickly undressed and laid on the bed, upon where hands and cocks were all over me. Dean was still in my mouth, while Mike was sucking on my aching pussy for all he was worth. I'd never felt so

> MIKE SLID HIS COCK INTO MY SLIPPERY PUSSY AND STARTED FUCKING ME FROM BEHIND.

wanton and dirty in my whole life and swore that I'd fulfil every dirty fantasy I'd ever had and do everything they wanted. I gripped Dean's cock with one hand, cradled his balls with the other and took the entire length into my mouth and sucked hard until I tasted his pre-come.

Mike slid his cock inside my slippery pussy and started fucking me hard from behind, turning me crazy with desire. Dean grabbed my head and began thrusting his steel-hard shaft in and out of my mouth, making me feel like a little fuck machine in between two hard cocks. I stroked his balls and the insides of his thighs until he could take no more and suddenly I tasted his thick, sticky spunk in my mouth. He came by the bucketload and I savoured – and then swallowed – the lot.

Mike had been forcing his prick as far as he could up my fanny from behind, but then he pulled back out of my hole before slamming back in and filling my pussy full of hot semen.

We stopped for a few minutes, had a few drinks and got our breath back, before getting straight back into it again. Dean was this time fucking my pussy while Mike wanked himself hard in my face. I sucked on his cock for a few minutes, but longed to feel his meat inside my other hole, so begged him, "Please fuck me in the arse!"

Mike needed no second invitation and climbed round the back and bent me forward over Dean, rubbing his circumcised helmet into my ringpiece. I arched my back and spread my buttocks as much as I could to ease his entry, and shivered with anticipation when I felt his finger poke inside to lubricate me with spit. Mike grabbed hold of my hips and pushed forward, forcing his thick, hard meat inside my sphincter and deep into my arse. The sensation of two pricks rubbing against the thin wall that separated my fanny and my arsehole was almost too much to take. I made myself totally relax and let the guys do all the work, as they took it in turns to pound their solid pricks into my aching holes. After several minutes of hard fucking, I could take no more and pushed back onto the two cocks, shaking to the core as the most powerful orgasm I'd ever felt ripped through me.

There was no let up from Mike, though, as he continued to thrust his shaft in and out of my bum, before withdrawing and exploding jets of spunk all over my back and buttocks. Mike climbed off me and I rode Dean like a woman possessed, until my fanny was filled with jizz for the second time that evening.

Dean, Mike and I have seen a lot of each other since that night, and all I can say is that Dean's perfect wife must be mad – apparently she wasn't into anal or dirty sex or anything – she really doesn't know what she's missing out on! Still, I can't help hoping they don't patch things up for a very long time indeed.

MARILYN

PHOTOGRAPHED BY ROY BREWINGTON

MAYFAIR
Classic

'A motorcycle is like a man – the bigger and more powerful the better the ride you get. And I like to ride fast.' This straight-talking attitude to life comes from 22-year-old Marilyn Grove who has been a motor--cycle fanatic since she got her first bike at the age of 12. 'My father and older brothers used to go scrambling and always took me along too, so it just seemed natural for me to start riding as well.'

It might seem difficult to believe, but Marilyn is a fully-trained motorcycle mechanic and can strip down a bike before you can say Kawasaki. Whenever she is not tearing through the streets of her native Leeds you will find her firm-breasted 35–24–36 figure hidden inside a pair of overalls at the local garage. 'They wouldn't take me on full-time, but they did agree to let me train there and I do some work for them. One day I hope to qualify properly and become a professional mechanic, because when you wind a bike up to the ton or even higher it is reassuring to know that you have maintained it yourself. There is a special relationship between me and my bike – almost sexual. It is more powerful than me yet I can still control it.'

MAYFAIR

When it comes to men, Marilyn is not interested unless they have a large bike and know how to ride it. In fact she met her latest boyfriend that way. 'I was in town and when I parked some guys saw me and made a few comments about women on bikes. I was so mad I challenged the biggest one to a race. It was just on the spur of the moment, but he agreed, so I couldn't back down. We met on a quiet road outside town and he thrashed me. But he was so impressed with my riding that he asked me out. But don't get the idea we're tearaways. Bikes are very safe if you know how to handle them. And as for the thrill of making love on the seat of a large bike . . .'

Classic

Cast your mind back 35 years – were you interested in girlie mags then? If so, there's chance you might have stumbled across these pics of Marilyn who, lest anyone be in any doubt, wasn't interested in owners of big bikes unless they knew how to ride them! And to be honest, who could blame her? – I hate those motorcyclists who don't actually know how to ride!

On Sale Feb 3rd

February, as we all know, is by far and away the worst month of the year, which is why God made it so short. Reeling from the expenses of Christmas, the weather's worse than ever and everyone's thoroughly fed up with it not being spring yet. Frankly, I almost wish we could skip straight to March... except, of course, that if we did that we'd miss out on all the stunners we've got lined up in 52.02! Stunners like Dannie Harwood and Tiffany James, who are sure to make it a month to remember!
